

**Details of Institutional Social Responsibility activities in the neighborhood Community****Details of various activities**

1. Health Talks: Health talks are organized on various important issues to create awareness in slum and rural community. Awareness on HIV-AIDS, Cancer awareness and prevention, Breast Feeding-benefits and practices, were some of the discussed topics.
2. Blood donation camps: Blood donation camps are regularly organized on the various important days in our blood bank and in the neighbourhood community. During these camps the awareness drive regarding importance of blood donation was also carried out that helped to break myths and misbeliefs about donating blood. The details of blood donation camps conducted during last five years are as follows:

Year	Number Of Blood Donation Camps Organized
2017-18	46
2018-19	57
2019-20	31
2020-21	42
2021-22	55

3. Shrimati Prayagakka Karad Arogya Suraksha Yojana: Through this scheme, health awareness and multi-diagnostic camps are organized to identify the health issues in the community. During these camps, attendees were oriented about diet and exercise & lifestyle modifications. Brief information on common communicable and non-communicable diseases along with advises on sanitation and personal hygiene, was advised. Various basic diagnostic facilities were provided to the patients, free of cost. Primary medications (oral / topical formulations) were provided to needy patients, free of costs. The patients who required secondary or tertiary care were referred to the YCR hospital for further treatment. Routine treatment facilities were provided free of cost. The details of health awareness and multi-diagnostic camps conducted during last five years are as follows:

Year	Number of Health Diagnostic Camps
2017-18	23
2018-19	28
2019-20	05*
2020-21	00*
2021-22	01*

*Activities for outreach camps were hampered due to COVID-19 restrictions and multiple lockdowns

4. PurnBraamhayogini Tyagmurti Prayagakka Karad free delivery services: our institute also offers free delivery services to needy patients from Latur district and nearby areas. Every pregnant woman coming for delivery is given free IPD services, free investigations, free food and free essential medicines. More than 3000 deliveries were performed under this scheme in last five years. During hospital stay these mothers are oriented about exclusive breast feeding-benefits and practices, baby care at home, sanitation and hygiene related issues.
5. Activities like poster-making, street plays (Emergency care in Heart diseases, Role of Trees in control of air pollution) & rallies are organized in hospital premises and neighbourhood communities on important health days/week like World Health Day, Breast feeding week, World cancer day, World diabetes day, World TB day, AIDS day, etc.
6. Swachh Bharat Abhiyaan: activities such as campus cleaning, municipal waste removal are conducted.
