## Institute provides following facilities for women

### 1. Safety and Security -

In our institution, safety, security, gender equity and friendly working atmosphere are given the upmost importance. While on campus, utmost precautions are taken to safeguard the safety of women community, students, employees, patients and their relatives. A total of 55 security staff members (2 security officers, 48 male and 5 female security guards) take efforts to maintain round-the-clock security by adequate patrolling and surveillance. Institution has adequate security coverage by multiple CCTV cameras across the campus. During night time, intermittent surprise patrolling of campus is conducted by security officers and senior staff.

## 2. Counselling -

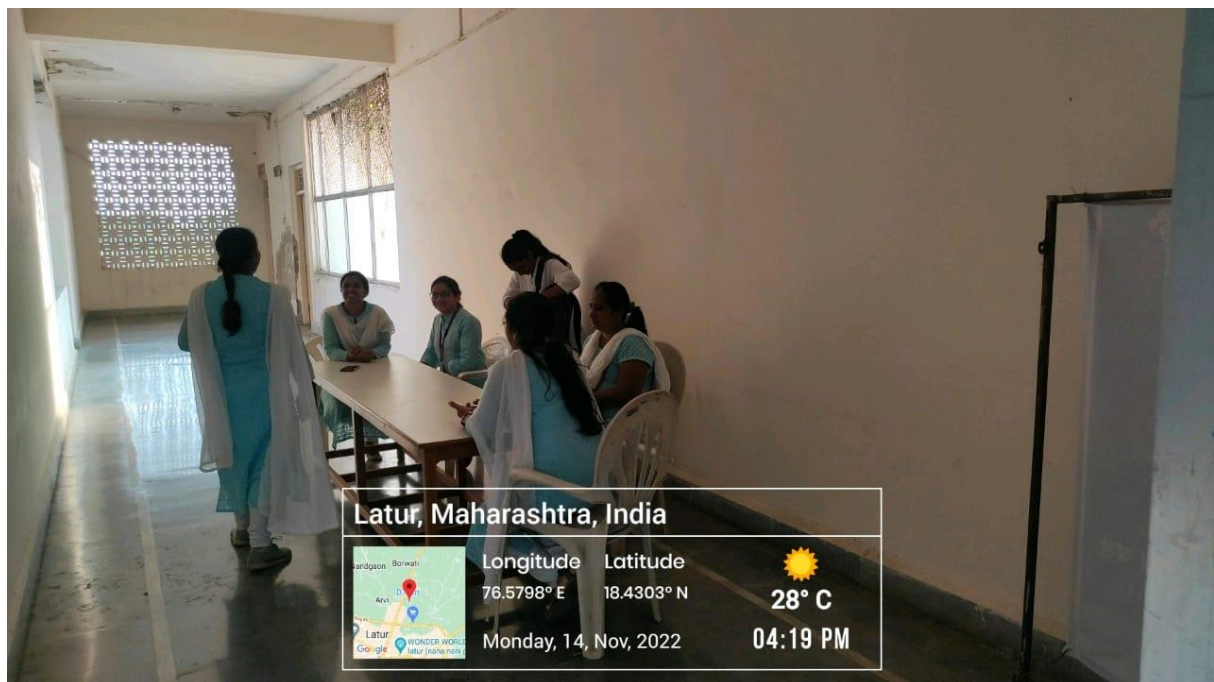

Institute provides the specific facilities like counselling room for female employees as well as patients and relatives visiting to the hospital.

All teaching staff of the institute are allotted ten students each for counseling/mentorship, without any gender discrimination among staff and students. These dedicated staff periodically conducts the counseling/mentorship programs for both male and female students for their academic and other issues.

### 3. Girl's Common Room -

Institute has a provision for 'Girl's Common Room' where the girls may sit, rest and go for recreation activities.

#### 4. Day care center for young children -

Institute provides specific facilities like Crèche and play room for wards of institute staff with dedicated staff and faculty supervisor.
