STRUCTURE & MECHANISM OF IQAC

Internal Quality Assurance Cell (IQAC) MIMSR Medical College, Latur

Structure and Mechanism

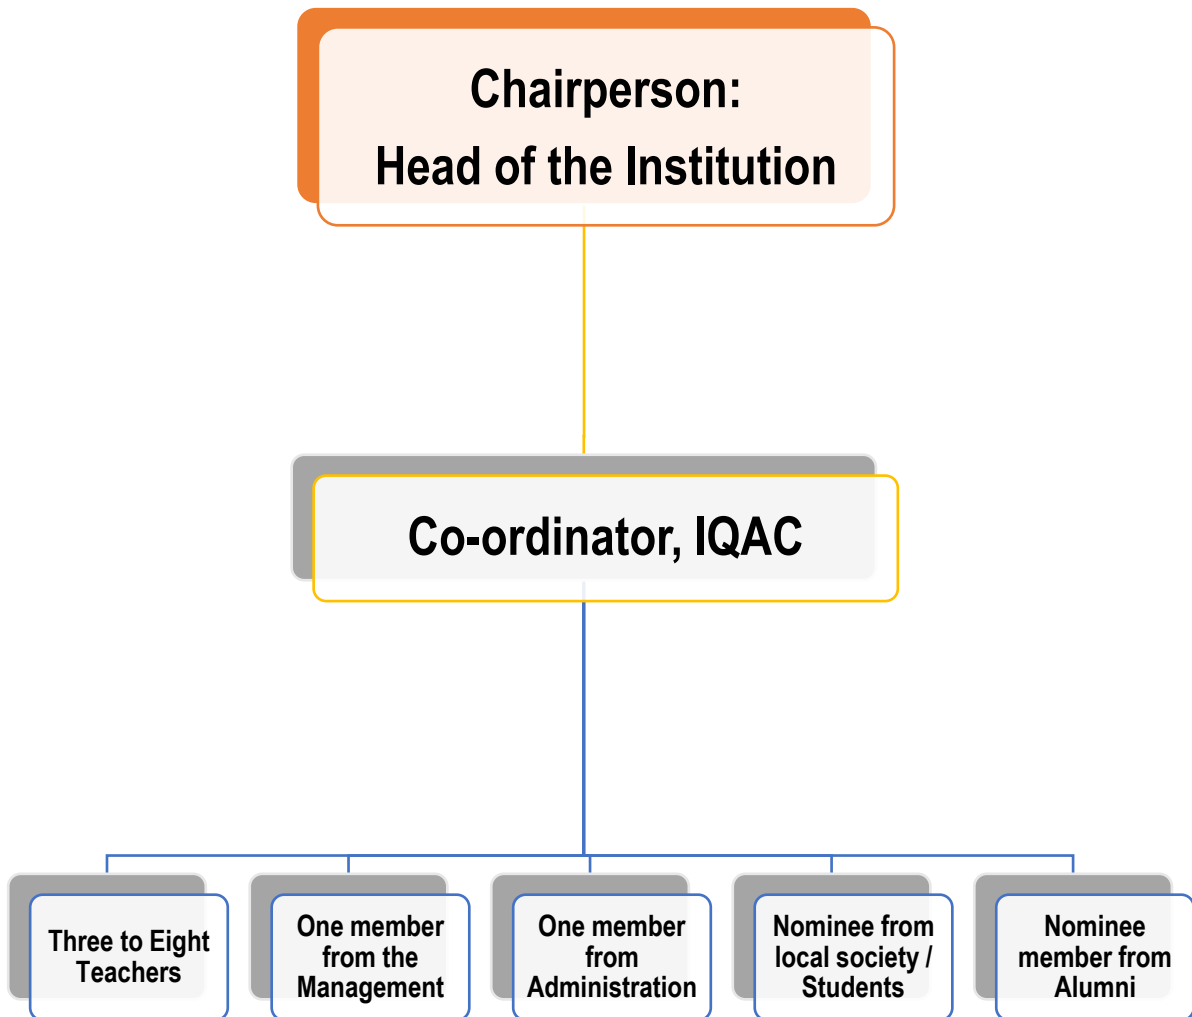

Internal Quality Assurance Cell (IQAC) of MIMSR Medical College, Latur was established in the year 2008 under the chairmanship of Honourable Principal of the college and revised from time to time as per the guidelines. The main aim of IQAC is to develop a structured system to improve the academic and administrative performance of the institution.

Objectives of the IQAC

The IQAC was established to meet the following objectives:

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and internalization of best practices.

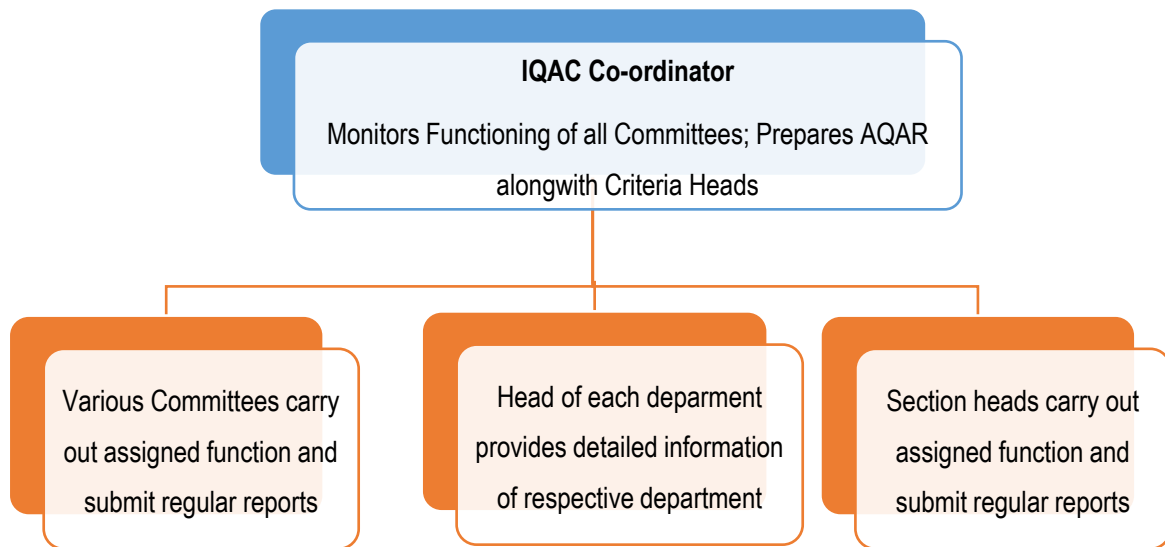

Structure of the IQAC

IQAC Functioning Mechanism

Functioning mechanism of the IQAC includes following:

1. Monitoring mechanism
2. Working mechanism

Monitoring Mechanism

- It includes monitoring of functioning of different committees by IQAC coordinator
- Preparation of annual quality assurance report (AQAR) of the institution and its timely submission to NAAC

Working Mechanism

- To prepare the framework and its effective implementation to set the quality benchmarks
- To decide and set the parameters for various academic and administrative activities of the institution and their regular monitoring

- To update the feedback forms time to time and the format for academic and administrative audit (AAA)
- To collect and analyze the feedback from all stakeholders on quality related issues of institution
- To conduct AAA periodically and its follow-up
- To organize inter- and intra- institutional capacity building programmes for students, teachers and non-teaching staff
- Dissemination of information on the various quality parameters of higher education
- Documentation of the various programmes / activities / events organized for quality improvement
- Preparation and submission of AQAR as per the guidelines of NAAC
