The agreement is executed today on this day 1st April 2021 in between.

Dean

1) Hon. Dean MIMSR medical college

Successor at present

And YCR Hospital, Latur

Dr.Nawab P.Jamadar.

(Here in called as party no.1)

Dean, Latur.

2) Pro. Akshay Industries, Latur.

Successor at present

(Here in called as party no.2)

Mr.Abhinav P. Shah

Pro.Akshay Industries, Latur

Whereas the party no.2 is contractor and for doing the said above work as per the rules and regulation of M.P.C.B. Party No.2 erect the project and invest near about **Rs.150.00 to 200.00 lacks. (Rs One hundred fifty to Two hundred Lacks)** for the plant, machinery and specially designed vehicles. so this agreement is executed for the mention period between party NO. 1 and Party No. 2 due to which the party No. 2 will get the fruits of invest amount on the project and for this the Terms & Conditions of Agreements:

Period Of Agreement: 01 April 2021 to 31 March 2022

1) The bio-medical was generated by hospital is defined as follows.

a. Human Anatomical Waste

b. Micro Bio-logical/ Bacteriological waste & Path Lab, waste

c. Waste Sharps

d. Discarded medicine & equipment, plastic, rubber, disposal

e. Solid waste, glass bottles, plastic bottles, injection, syringes etc.

f. All types of tubes, cotton waste, used banded etc.

1. All the above material (Waste) is to be segregated and stored in prescribed bags with Label of Bio-Medical Waste Rules which are having specific color codes as per M.P.C.B. Act, The material is to be segregated by hospital housekeeping department.

2. In the Bio-Medical waste bag/ other waste is not allowed such as food foodstuff, carry bags, fruits, papers, coconut, and flower. After conveying frequently if concerning institute is failed in this regard, their report will be conveyed to MPCB.

3. That, segregated material will be collected by the contractor's staff and transported by their own vehicles which are as per the B.M.W.(M&H) rules 1998.
4. Both the parties are abiding to sign on their card whether the waste material is available or not. The responsibility of put the bags into the vehicle is that of concerning institute / hospital.
5. The collected bio-medical waste to dispose it is contractor's responsibility.
6. The disposal charges of Bio-medical waste will be under :-
 - a. **67500/- per month. [300 Beds x Rs.7.5 x 30 Days = 67500/-]**
 - b. The taxes will be charged extra as applicable by rules then existing
7. The payment of collection, transportation and disposal is to be paid on 5th day of each English Calendar month; The Akshay Industries will issue receipt of the same.
8. On the day of Dhulwandi, Rang Panchami or any occasion like curfew, Band etc. that days waste will be collected on the next day but the charges for that day will be added in the bill.
9. The total system will be carried out as M.P.C.B, rules and regulations by law 1998, the respected amendment for the both the laws will be corporate as and when published.
10. If there is hike in cost of transpiration fuel, electricity, wages, diesel etc. Charges may be revised by mutual understanding of party no. 1 and party no. 2.
11. After putting the bill please keep the cheque ready to avoid inconvenience.
12. If the Institute fails to make the payment regularly as per agreement to contractor. The contractor will wait up to 2 months and after that contractor will stop the services and inform to MPCB/ Local Authority/ Civil Surgeon/ Collector and the concern institute will be responsible for further cause and consequence which will be adore in future, OR After two months 24% interest per annum will be charged / if any institute failed to pay the amount as above.

13. It is necessary for Party No.2 to collect Bio Medical waste regularly and daily from consent institute if Party No 2 (Contractor) fails to do if then he will be answerable to M.P.C.B. at the any time.
14. The contractor must collect the BMW from entire latur District. Hence hospital should make arrangement to collect all B.M.W. at one place along with filled bags in the hospital premises. The Co-operation in this way should be extended to the contractor.
15. Injection needles should be terminated within the institute. Hence needle terminator should be kept in the institute. This is mandatory by the Govt.
16. Any type of B.M.W. for e.g. plastic bottle, I.V. set, I.V. bottle, syringes / glass bottle, should be given to contractor only. It is not allowed to sale in the scrap or dispose at any other public place by a mistake of patient or hospital servant. For this type of mistake only hospital will be held responsible.
17. If the institute / hospital remain closed at the arrival of Bio-Medical Waste Collection Vehicle, the concerning institute will have to pay the charge of that particular day even if the waste is not available.
18. If the institution / Hospital will remain closed for a week or more than that, the concerning institution must convey this in advance, otherwise if the fails in this regard will have to pay the charges of this period. The information should be in written only.
19. Waste collection timings: 8.00am to 12.00am.
20. Party No. 2 is having rights to check the number of beds in the institute / hospital at the same time concerning institution / hospital must provide the authorized person for this.
21. The charges of amputation will be decided after the mutual consent of party No. 1 and 2. the detailed information about the person for whose visible amputation is done must submit to the party no. 2 The information is such as, name, Age, address, sex, amputation date, time etc. must Produce on letter head with stamp. Amputation will not collected until & unless the information should be on the authorized letterhead.

Dean

22. The concerning institution, hospital have their duty to make aware of the Bio-Medical Waste to their staff.
23. The terms and conditions are strictly followed for the both parties. No claim will be entertained thereafter.
24. If the party of any side want to break this contract should inform the other party before 2 months.
25. The date of collection to be start will be informed to the health center and the billing for the same will be started from the first day of collection started.
26. The above contract is made without fear / threat / drink.
