Report on the list and steps taken by MIMS R Medical College and YCR Hospital, Latur to measure attainment of specific clinical competencies by the MBBS students/interns stated in the undergraduate curriculum.

- MIMS R Medical College and YCR Hospital, Latur adopted following specific learning modules /methodology for attainment of specific clinical competencies:
 - Foundation Course
 - Early clinical exposure
 - Attitude, Ethics, Communication (AETCOM) Module
 - Integrated Teaching
 - Self-Directed Learning
 - Integrated Teaching
 - Quiz
 - Poster presentation
 - Clinical postings
- Assessment is based on three main criteria: Knowledge, Skills and Attitudinal competencies.
- Summative evaluation (Theory, Practical and Viva) as per the guidelines of the MUHS, Nashik. The goal of summative assessment is to *evaluate student learning* at the end of an instructional unit by comparing it against some standard or benchmark.
- Formative evaluation: Each department has its own policy: The goal of formative assessment is to *monitor student learning* to provide ongoing feedback that can be used by instructors to improve their teaching and by students to improve their learning.
 - Assessment Criteria: Class test, Tutorials. Discussions and Mentoring.
- **Special programmes are conducted by the institute for slow as well as advance learners.**
 - By subject mentoring
 - Remedial Classes.
 - Psychological Mentoring by Faculties
- Internship:

Internship log book Record is maintained by the institute.
