

MIMSR Medical College & Y.C.R. Hospital, Latur.

Department of Biochemistry

Utilization of Objective methods for certifying competencies

The photos enclosed are about the sessions conducted during practical sessions of MBBS students. Clinical Demonstration and discussion follows. A blend of assessment methods and teaching methods are used to optimize the attainment of competencies. The focus of the teaching was problem based learning, case based learning, peer-based learning and problem solving. Students are first oriented about Formative and Summative assessments, then allowed to be measured. Assessments and learning are covered simultaneously.

Department of Surgery

Utilization of Objective methods for certifying competencies

The photos enclosed are about the sessions conducted during clinical posting of MBBS students. Principles of Clinical Clerkship are followed where in the students attend the rounds and have a peer-based learning first. Clinical Demonstration and discussion follows. The focus of the teaching was problem based learning, case based learning and problem solving. Students are first oriented about Formative and Summative assessments, then allowed to be measured. Assessments and learning are covered simultaneously.
